IKT Annual Seminar

The IKT LinerReport on CIPP Performance

Marking the launch of the 2020 LinerReport – the 17th annual review of the performance of CIPP sewer liners based on testing 2,600 samples

A free to attend 90-minute webinar, to be repeated twice on 14th April 2021

Content

- Background and purpose of the LinerReport
- Methodology
- Results from 2020
- Trends from previous 17 years
- An international perspective

Target audience

- Sewer network owners staff
- Providers of sewer lining systems
- Providers of sewer rehabilitation services
- Engineering consultancies
- Academia

The annual IKT LinerReport presents the results from the evaluation of installed CIPP gravity sewer liners based on testing of samples taken post-installation: www.ikt.institute/downloads/linerreport/

The webinar is presented by Roland Waniek and Barbara Grunewald, two of the authors, and an international perspective about the Liner Report will be provided by Dec Downey. It will cover:

- Origins of the LinerReport – why it was requested by German sewer network owners
- The requirements and how tests are undertaken
- Findings of the 2020 LinerReport
- Trends observed over 17 years
- An international perspective
- Questions

Dates

The webinar will be presented twice on **14th April 2021** at

Webinar 1: 09.00 – 10.30 BST / 10.00 – 11.30 CEST

Webinar 2: 16.00 – 17.30 BST / 17.00 – 18.30 CEST

Fees

The webinar is free to attend but you must pre-register to obtain the link. Registrations will be considered in the order in which they are received. The number of participants is limited. Early registration is therefore recommended.

Registration

Please email [Iain Naismith](mailto:inaismith@ikt.institute), the webinar moderator: naismith@ikt.institute stating which of the two times you wish to attend to receive the web link.

Moderator:

Dr Iain Naismith
Senior Research Fellow, IKT

Presenter:

Roland W. Waniek
CEO, IKT

Presenter:

Barbara Grunewald
Senior Research Fellow, IKT

Presenter:

Dr Dec Downey
Principal, Trenchless
Opportunities Ltd

Organiser

IKT - Institute for Underground Infrastructure
